To Whom It May Concern,

This is in regards to The Regent Singapore's current entertainer, Amandah Jantzen. The policy of the Four Season's Hotels is that upon leaving a statement of fact is issued, rather than a letter of recommendation or reference.

Amandah Jantzen was originally contracted to perform in The Bar at The Regent from 3rd-July, 2005 thru 30th-September, 2005. Her contract was extended in August to continue through 31st-October, 2005. A second extension pushed her final date to 31st-January, 2005, and a third extension was put into place bringing her final day of employment up to 31st-May, 2005.

This final extension had a month to month clause built in, whereby Amandah would have stayed on at the Hotel by mutual agreement, indefinitely. However, the Singapore immigration laws provide a clause that prohibited her from working past 31st-May, without taking a six-month leave of absence to comply with the visa regulations.

For this reason, her final performance date will be 31st-May, 2005. You may verify this information by contacting Ms. Angeline Teo, assistant to the F&B Manager at the Regent.

Her e-mail address is: angeline.teo@fourseasons.com

Her direct phone line is: (+65) 6725-3202

Subsequent statement of fact will be posted as soon as it is received.
